## New Hall

The hall is flying up at the moment and should hopefully be completed by the end of November. Once it is finished and we have all our furniture etc in place the children will begin using it, probably in the new year.

## Uniform

Our children look so smart, as modelled by Y2 here, in their uniform, which they wear with pride. We currently have a small amount of uniform and belongings in our lost property. Thank you to those families who label all of their children's clothes which minimizes the time staff take tracking down children who have mislaid their items.

Staff are instructed to place any unlabelled items in lost property and not find owners as this takes them away from their core purpose of delivering effective learning for our children.

## Plas Caerdeon

Our Year 5's returned from a wonderful week of adventure and fun at Plas Caerdeon having become more grown up and resilient over the week, as they were presented with challenges ranging from kayaking and adventure to keeping their rooms tidy and setting the table! It was a great week away with special thanks to Mr Dade, Mr Strode, Mrs Niblock and Miss Cummings for making it possible.

## Parents' Evenings

You will receive a letter in the next week from our office regarding the organisation of Parents' Evenings. We now have a facility on Parentmail through which we can organize both evenings and you will be able to book your own appointment to see your child's teacher. The evenings will run in the same format whereby you are able to view your child's work before or after your 5 minute appointment with the teacher.

## Parking

Space is at a premium outside all schools in Liverpool. Families who choose to park without care to others in the community put themselves, others and especially our children, at risk. When parking please ask the question, 'Am I putting others or my child at risk parking here?'

## Attendance and holidays

Our attendance this half term is hovering around 98% which is wonderful and in line with our target for this year. Please be reminded that holidays are not authorised unless under the circumstances shown on our policy, which is available via our website. Those planning holidays during term time to Lapland or elsewhere need to be aware that you may be fined by the city council for your holiday. Please notify us if you are taking a holiday so that we know why your child is not in school.
