Tickets will be on sale soon for the quiz night on Friday 24 March.

Representing school

We are so fortunate in our school a large group of staff who are willing to volunteer their time to organize extracurricular clubs, teams and activities. This is on top of their school roles. We have achieved the Sports Mark Gold for the second time in recognition of all this effort and all children at some point in their school life will have opportunity to represent our school in one of these clubs or teams.

Many schools do not have this range of teams or activities and children do not get the opportunity to have the honour of representing school. We expect all children chosen for our teams to be well behaved, setting good examples to other children in our school. We want them to inspire others to join teams and becoming such a role model helps them and others around them, flourish. Please speak with your children about the great honour it means to represent school and what this means to family members, friends and all in the school community.

Please support us with the following:

- Birthdays! We are happy to help celebrate children's birthdays; however we do not have the time nor facility to have cakes in school. Should parents wish to share gifts with the class, we are able to hand out small packets of sweets at the end of the school day. Cakes can contain allergens that will make some children very poorly. Packets of sweets can be handed to parents who can check their contents before allowing
- All children should have the new PE kit by now. Children are expected to have kit with them each day.
- Please remember dogs are not allowed on our playground. Please do not carry or walk dogs onto the playground as some children are frightened of them. If needed leave dogs tied at the gate when you fetch your child. Please remove any mess your dog makes before going home.
- Children should not be wearing make-up of any kind into school. This includes false nails which can endanger themselves or others.
- We cannot take responsibility for siblings of children taking part in after school clubs. Please ensure all children are picked up on time.
- School staff are available to speak to at the exit doors at the end of each day, via appointment with our office or over the phone during the school day.
- Without parental support, time is taken away from teachers teaching and children learning. Helping with the above will help us help your children achieve their goals.
- If you have concerns about school, please speak with us so that these can be addressed.
