The Much Woolton

Fortnightly Newsletter Number 13 of this school year

To everyone involved in the many successes our school has experienced this term.

Our children and staff have worked exceptionally hard as seen in the children's books and the high standards demonstrated in display around the school.

Our themed weeks and days have been tremendously successful and the children have learned so much from them, be it Alien Invasions, Science week or the Arts, all have had many opportunities to succeed.

Our sports teams have performed particularly well in football and cross country and we have had success in swimming, dance and with our choir too.

The PTA continues to strengthen, culminating in a hugely enjoyable Quiz Night, won by our talented and knowledgeable teachers of course!

Many thanks to all who have supported our school in whatever way possible, over the course of this term. We look forward to what summer has to bring!

School Uniform

Children return in their Summer uniform after the Easter break. They are expected to wear:

Boys: White polo shirt with badge, grey trousers, black shoes (not trainers)

Girls: Blue gingham dress, black sandals.

Both boys and girls should also have a school jumper/ cardigan.

Children may continue to wear PE kit on their PE day. PE kit should be in school daily for additional PE opportunities.

We expect our children to wear correct uniform and especially shoes as part of our uniform code.

Trouble in school?

Please be mindful that occasionally children may report incidents in school that have not been reported to school staff. Unless we are made aware, we cannot investigate or deal with the issue. Please do not try to sort such issues out individually, but seek the support of school staff instead!

School Clubs and Teams

We have had such a successful year to date with all our clubs and teams. Your children are so lucky to have access to a wide variety of sports and other activities to get involved with.

Next term we will be looking to bolster our Choir and begin training for the athletics competitions in the summer. Please look out for these clubs that help develop the 'whole' child and support school in this by enrolling your children in those clubs available.

Goodbye and Good Luck...

To Miss O'Toole who leaves us today to have her baby. She has a busy year ahead as she is also getting married in the summer holidays. We wish her and her family all the best in this new phase of their lives and look forward to seeing mother and baby later in the summer term.

We welcome back...

Miss Radcliffe, after compassionate leave, following the death of her father. She has been so grateful for the kind messages and prayers that have been said for her family during this difficult time. She is eager to see her class again!

Please support us with the following:

- **Parking!** Community Officers patrolling the area have asked us to forewarn drivers parked illegally or dangerously that fines will be administered should they find this type of parking happening.
- All children should have the new PE kit by now. Children are expected to have kit with them each day.
- Please remember **dogs are not allowed on our playground**. Please do not carry or walk dogs onto the playground as some children are frightened of them. If needed leave dogs tied at the gate when you fetch your child. Please remove any mess your dog makes before going home.
- Children should not be wearing make-up of any kind into school. This includes false nails which can endanger themselves or others.
- **Alleyway! Please continue to report dog mess left in the alleyway at the school entrance to Liverpool City Council at 233 3000.**
- School staff are available to speak to at the exit doors at the end of each day, via appointment with our office or over the phone during the school day.
- Without parental support, time is taken away from teachers teaching and children learning. Helping with the above will help us help your children achieve their goals.
- **If you have concerns about school, please speak with us so that these can be addressed.**
