The
Much Woolton
Fortnightly Newsletter Number 16 of this school year

...to our Year 6 pupils on their successful residential visit last week.

...to our Gardening Club whose raised beds are taking shape and the garden is beginning to look fantastic.

We think many aspects of school life are going really well at the moment. If you agree would you nominate us for an award in the upcoming Educate Awards. Nominations need to be made within the next fortnight. There may be a particular member of staff who you feel inspires our children, or is it our commitment to Sport and the Arts that deserve recognition? Your support as ever would be great. You can nominate at: <http://educateawards.co.uk/entry-form/>

Athletics

Further to the Parentmail sent during the half term, the planned events at Wavertree have been cancelled this year as renovation works on the track have over run. Mr White is currently putting together an alternative competition taking place at Litherland Sports Park on either 12 or 13 July. Further details will be followed once participating schools have been finalised.

Ball State University, Indiana

Our trainees began with us last week and have been so welcomed by all in our community, particularly our children. Thanks to all for making them so welcome!
