The

Fortnightly Newsletter Number 17 of this school year

...to our PTA for their fantastic Summer Fair! It was a wonderful day with a little help from the weather. Thanks to all who attended and especially all families and staff who gave their time to making the day such a success.

## Key dates in the coming weeks

### Cancer research coffee morning

We are holding a coffee morning this coming Tuesday 4 July, between 9 and 10 am in aid of Cancer Research. All in our community know someone who has been affected by cancer in some way. All funds raised from the purchase of cakes and drinks will be donated to this fantastic charity. If you are able to make a cake, please pass it into school on Monday or first thing Tuesday. All donations will be greatly appreciated.

### Athletics

We are currently finalising the team to compete at Litherland Sports Park on 12 July. Please check your child's bag for letters regarding this.

### Ball State University

Our American students finished their time here with us on Thursday. They have thoroughly enjoyed their experience with our school and will keep in touch with their classes via our teachers.

### Transition day

Children across Liverpool will be moving up to their new classes and schools this coming Wednesday, 5 July. In Much Woolton we try to make this as enjoyable experience as possible. The children will go to their regular classes as usual and then be collected by their new teachers. The day will then be spent getting to know one another and discussing what they can expect from the year ahead. The children will then come home with a letter for you explaining who their new teacher is.
