Much Woolton Matters

Fortnightly Newsletter Number 12 of this school year

All our footballers who have competed for school in the last fortnight. Our Y3 children are through to the next round of the cup too!

The following children who have received Golden Certificates in the last fortnight:

Janhia B, Daisy F, Connor M, Ellen N, Noah W, Stephen O'B, Garbiella HB, Archie E, Oliver S, William W, Jack M, Ava S, Amaya DS, Joshua W, Aoife W, Louis M, Amy F, Anthony B, Neveah J, Evie R, Charlotte C, Tayah B, Ryan W, Hayven J, Alex K, Molly M, Chloe S, Kyle K.

Parents Evenings

Both parents evenings take place next week. Times are allocated in 5 minute slots and teachers will do their best to adhere to these times. It is preferable that children do not accompany parents to the meetings unless absolutely necessary. Children who do attend are expected to sit with their parents quietly so as to avoid disturbing the meetings taking place. Children are not allowed into the grounds of the school or to wander around the building.

Parents to classes

As part of our current push on raising standards in Mathematics, parents will be invited to join their children in a maths lesson, in the week beginning 12 March. Mrs Moorcroft and class teachers will be releasing information about this next week.

PTA – SAVE THE DATE

The Big Don't Know Much (Woolton) Quiz!
Friday 2 March , 7.30pm- 11.30pm in school. Tickets available on the door!

Everton Ball/ Liverpool Shirt raffle

Thank you to all those families who purchased tickets for these prizes in aid of HCPT.
The Liverpool shirt was won by one of our parishioners, with the Everton ball being won
by our own Ted Mc in Year 5! Well done Ted!

Below are a few tips that will help your child be ready for school:

- ✓ Be school ready each day; help them pack their bag the night before school, ensure they have plenty of sleep and eat breakfast.
- ✓ Teach them to be on time, have a clock in the house, teach them to tell the time and to plan ahead for getting to school on time.
- ✓ Read each day, either individually or together. Talk about what children are reading and be interested in their stories.
- ✓ Expect them to look after their belongings. Help them by labelling clothes and other items so that they can find them.
- ✓ Expect them to have the correct equipment ready for each school day, including PE kit.

All of the above help teach your child to be resilient, enabling them to be independent and solve problems for themselves. This will help them greatly in school but most importantly, in being prepared for life beyond school.

- ■ School staff are available to speak to at the exit doors at the end of each day, via appointment with our office or over the phone during the school day.

- ■ Without parental support, time is taken away from teachers teaching and children learning. Helping with the above will help us help your children achieve their goals.

- ■ If you have concerns about school, please speak with us so that these can be addressed.

- ■ Birthdays! We are happy to help celebrate children's birthdays; however we do not have the time nor facility to have cakes in school. Should parents wish to share gifts with the class, we are able to hand out small packets of sweets at the end of the school day. Cakes can contain allergens that will make some children very poorly. Packets of sweets can be handed to parents who can check their contents before allowing their children to eat them.
