

**St. Ambrose Catholic Primary School – Covid Catch-up Premium 2020-2021**

(Provisional Plan) “As with all government funding, school leaders must be able to account for how this money is being used to achieve our central goal of schools getting back on track and teaching a normal curriculum as quickly as possible. Given their role in ensuring schools spend funding appropriately and in holding schools to account for educational performance, governors and trustees should scrutinise schools’ approaches to catch-up from September, including their plans for and use of catch-up funding. This should include consideration of whether schools are spending this funding in line with their catch-up priorities, and ensuring appropriate transparency for parents.”

Funding to be received in 2020-2021 is £80 per child Reception- Y6= £33,040 approx

Issue	Solution	Finance	When?	Expected impact	Monitoring
