

Much Woolton Catholic Primary

"With Jesus we love, learn and grow"

Mrs Wilson's weekly message

Dear Parents and Families,

Welcome back

We hope you enjoyed your half term break and are ready to carry on the hard work at school and home. Google Classroom sessions will continue. Thank you to all the Parents & Carers for the support you are giving to your children at home. We know it isn't easy, but you are all doing a fantastic job.

We still have another week to go before we reopen to all children, on behalf of all staff, a huge thank for all you have done to support your children's learning during such a difficult period. The engagement from most families has been excellent and that is down to your support, as well as the efforts of our staff here in school.

Mrs Wilson.

Fundraising

This half term we have decided to do some fundraising for Rainbows, a charity that supports children and young people when they face loss or bereavement in their lives. So over the next few weeks whether your child is at home or in school they can take part by designing their own rainbow. They can use any medium they like to create a rainbow, be it painting, collage or even household items. The most inventive creations will win a prize. To take part, create your rainbow and donate £1 through Parent Pay. Take a picture of your child's creation and send it to us if you are at home or bring your rainbow with you to school. The competition closes on the 12th March.

Thought of the day

"Learn for yesterday, live for today, hope for tomorrow" – Albert Einstein

COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

If symptoms start over the weekend/half term, please contact the school on

Safeguarding@muchwoolton.co.uk

State the child's name, class, symptoms and a contact phone number.

Home Learning

Each week we will be displaying some of the work the children have completed either in school or at home. Take a look at some of the fantastic work the children have produced.

The Golden Certificate Award

Congratulations to all of the children who have been chosen by their teacher for the Golden Certificate award.

WELLBEING

Wellbeing Wednesdays

We built into the weekly timetable a break from screens and device. It is an afternoon when children both at home and in school are to participate in some mindfulness activities. We have attached some ideas.

It was lovely to see the children engaging in activities both at home and in school.

Please tweet us a picture of your child/children completing a task to **@muchwooltonsch** or upload the picture on your child's Google Classroom page.

Please see some ways our children spent Wellbeing Wednesday

Much Woolton & St Ambrose Cup

In the next few weeks Much Woolton and St Ambrose will be competing in some friendly school v school competitions that will hopefully give the children at something that they have missed out on this year. All children will have the chance to compete and win themselves a medal and the school could win the Much Woolton and St Ambrose Cup

Group	Total points scored	Top 3 players
Class 5	37	Samuel B, Annabella A & Jake F
Class 6	9	Annabelle O, Charlotte O & William B
Year 3	9	Anna C, Kyle K & Ava M
Year 4	153	George W, Sam C & Shaun W
Year 5	103	Freddy A, Liam P & Daniel Mc
Year 6	17	Mylee W, Millie B-L & Poppy L

World book day

12th March 2021

Although World Book Day is Thursday 4th March we have decided to wait until the following week when all children are back in school to celebrate.

Your child's class teacher will be setting activities to promote our love for reading on this day.

If your child would like to dress up as their favourite character, then they are more than welcome. This is completely optional and if they would not like to dress up then they can come to school in their own clothes.

We will be taking part in 'drop everything and read' as a whole school at 10am. We would encourage children to bring their favourite book to school for this.

New battles start at 3pm today:

Challenge

Maths Fun!

Why not have a go at this Challenge?

Hundred Square

A hundred square has been printed on both sides of a piece of paper. One square is directly behind the other.

What is on the back of 100? 58?
23? 19?

Can you see a pattern?

Come on **Much Woolton** Maths Whizzes!

Mr Whites virtual challenge

Virtual Everest Fundraiser for Rainbows

I've been very touched and humbled by the messages of support and generosity of so many of our families and staff who have contributed to this my virtual Everest climb in aid of the Rainbows Children's Bereavement Trust.

In terms of progress, if I was actually on Everest, today I would have just got past the Lhotse Face, a wall of blue ice 3700 feet high! Having reached this milestone, donations to date to my page have reached £1260 including gift aid.

The total for the whole challenge has now reached £7638 including gift aid, a remarkable achievement. If you would like to donate or simply leave a message of support, which will make a huge difference to children who have suffered bereavement, please visit:

<https://uk.virginmoneygiving.com/MatthewWhite53>

To leave a message or donation on the main page, please visit:

<https://uk.virginmoneygiving.com/SomeoneSpecial/KateGriffin5>

Thank you for your support, kindness and generosity,

Mr White

HEADS UP FOR KATE!

STATIONS TO THE SUMMIT

- 10. The Summit**
At 29,028ft (8848m), this is the world's highest point
- 9. The Hillary Step**
The most famous physical feature on Everest. First climbed by Hillary in 1953. Hillary found a crack which he used to wriggle his way up
- 8. The Cornice Traverse**
A 400ft long ridge of nick and wind carved snow. A misstep leads to a fall of either 8000ft or 10,000ft down the mountain...
- 7. The South Summit**
The size of a ping pong table. It is tradition to change oxygen bottles here for the final ascent.
- 6. The Southeast Ridge**
At 27,700ft it is known as the Balcony.
- 5. The South Col**
"Col" is the Welsh word for pass. It is used as high camp. Must drink at least 5 litres of hot fluid here and sleep with low O2 flow.
- 4. The Geneva Spur**
Bulging rock now fixed with ropes for the climbers.
- 3. The Yellow Band**
Sandstone rock, will be the first rock the climber touches on the way to the summit
- 2. The Lhotse Face**
Wall of blue ice rising 3700ft with angles of 40 and 50 degrees
- 1. The Western Cwm**
Broad, flat glacial valley basin.

WE THINK THAT KATE SHARES THE COURAGE, DETERMINATION AND WILL TO CHALLENGE – JUST LIKE SIR EDMUND HILLARY DID...

Climb the equivalent distance Sir Edmund Hillary climbed from Base Camp to the summit of Mount Everest within 47 days – that's how long it took him!

The total distance is 3486 metres. Start at the bottom (Base Camp) and simply cross off the boxes as you go until you reach the summit. Each box is equal to 3.5m, so 3.5 x 996 boxes = 3486 metres

Only 20 steps of a stairs and you can cross off one box.

But remember, you must CLIMB!
Hills counts too on your walks.

As a guideline, you should be looking to complete an average of 22 boxes – OR 22 flights of stairs, per day

Get climbing to share in the determination and courage that Kate displayed!

Go to [bit.ly/kateseverest](https://uk.virginmoneygiving.com/SomeoneSpecial/KateGriffin5) to access Kate's Virgin Money Giving fundraising page

RAINBOWS BEREAVEMENT SUPPORT GREAT BRITAIN
is a well-respected national charity having a proven, positive impact on the lives of children, young people and adults grieving a significant and often devastating loss in their lives.

Our vision is quite simply for every child and young person in every school in Great Britain, grieving a significant and often devastating loss in their lives, to be understood and supported appropriately.

ALL MONIES RAISED BY PARTICIPATING IN THIS CHALLENGE WILL BE DONATED TO SUPPORT CHILDREN AT THEIR TIME OF NEED

Rainbows
GUIDING CHILDREN & YOUNG PEOPLE THROUGH LIFE'S STORMS

A huge well done to everyone involved within our school. Engagement in school and home learning was above 95% this week. Comparing our school to the Liverpool average which is 75% this is phenomenal by all involved. Brilliant effort everyone.

Everyone at Much Woolton would like to wish Harley H, Kitty Mc, Isobel P, Erna E, Holly B, Lois F, Joseph Mc, Freddie B, Rosa L and Ryan W a happy birthday. We hope you all have had a wonderful birthday this week.
