School closes for Easter

Mrs Wilson's weekly message

Welcome Back

It has been truly delightful to see all of our children back in school this week. On Monday morning, there was a lovely buzz around the school with lots of children keen to chatter to their friends and catch up again.

I have visited every class and spoken with the children and the overwhelming feeling from them was that they were delighted to be back and to see their teachers and friends.

The most important thing over the next few weeks is to allow the children time to reconnect and redevelop routines. It is important that they can socialise with their friends in school and that our younger pupils continue to develop their communication and language skills.

Teachers have also reported that the children have really enjoyed their first few days back. They were keen to settle down to their work and have established good working routines - long may this continue!

I sincerely hope that this will now be how we can operate and that any further lockdowns will be avoided. We will do everything we can to make sure the rest of the year is as smooth as possible for our pupils.

Covid Information

Whilst attendance will be compulsory from March 8th, please do not send your children into school if they, or any other family member, are displaying any Covid symptoms or they or any other family member are awaiting test results. **If in doubt, please err on the side of caution.**

If a positive case does occur in school, bubbles will have to close - as they did before Christmas. This is the last thing that school (and I am sure yourselves) want to happen as it will lead to further disruption of the children's education.

COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

If symptoms start over the weekend, please contact the school on

Safeguarding@muchwoolton.co.uk

State the child's name, class, symptoms and a contact phone number.

Thought of the day

Every child is a different kind flower. All together, they
make the world a beautiful garden.

World Book Day

12th March 2021

Much Woolton celebrated World Book Day today. The children looked wonderful in their costumes. They participated in a variety of activities including Drop Everything and Read,

Well done to everyone!

Learning

Each week we will be displaying some of the work the children have completed in school. Look at some of the fantastic work the children have produced.
