“With Jesus we love, learn and grow”

Mrs Wilson's weekly message

What a difference a year makes! This time last year we were closing school for the very first lockdown- unsure of what lay ahead.

With still some uncertainties there seems to be light at the end of the tunnel and a sense of normality returning.

As we are in the season of Lent let us take time to renew ourselves spiritually and emotionally and reflect on our behaviour, thoughts and words.

Thought of the day

Helping one person might not change the whole world,
but it could change the world for one person.

"What's your best discovery?" asked the mole

"That I'm enough as I am"
said the boy

Parents Evening - Zoom meeting School Cloud

You will shortly be offered a meeting with your child's class teacher for you to discuss how they have settled. Our priority during these three weeks have been to settle your children back into school, to learn and play together, to get back into the rhythm and routine of school life and to re-engage with our curriculum. Our meetings will still need to be conducted online and you will be offered a choice of times/days to make your bookings. Next week, you will receive an alert to choose your meeting time. The meetings will take place the week beginning the 12th April.

Rainbow Competition.

We had amazing entries in our Rainbows competition. The judging team found it difficult to decide on a winner and many heated discussions took place. However, a final decision was made and you can see the winners below.

EYFS - Junior M

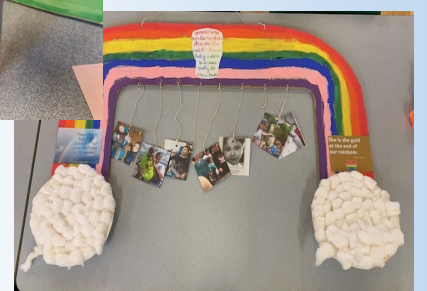

Year 1 - Neva G

Year 2 - Sophie S

LKS2 - Kieran L

UKS2 - Luca G

Well done to all who entered.

Covid Information

Whilst attendance will be compulsory from March 8th, please do not send your children into school if they, or any other family member, are displaying any Covid symptoms or they or any other family member are awaiting test results. **If in doubt, please err on the side of caution.**

If a positive case does occur in school, bubbles will have to close - as they did before Christmas. This is the last thing that school (and I am sure yourselves) want to happen as it will lead to further disruption of the children's education.

COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

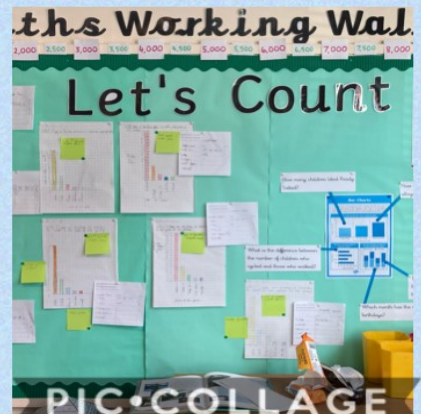

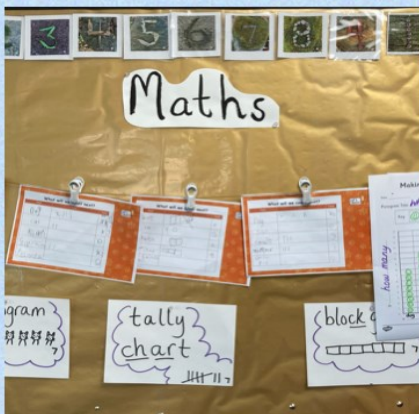

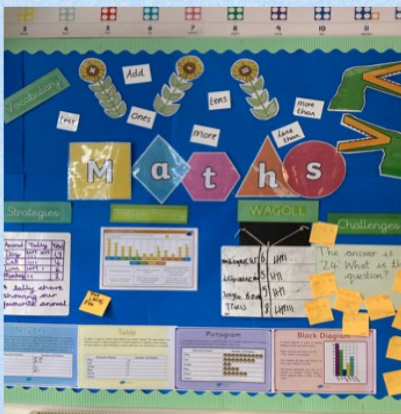

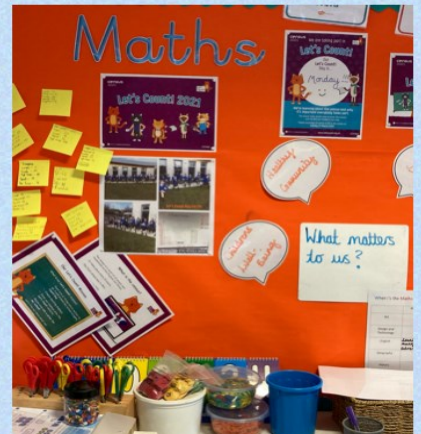

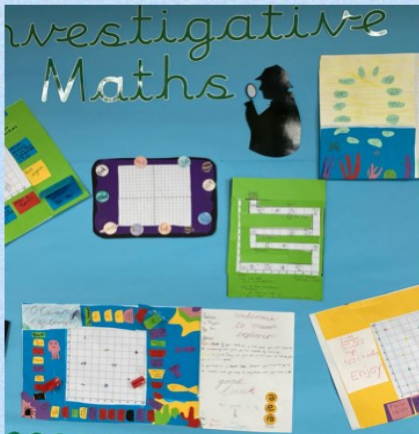

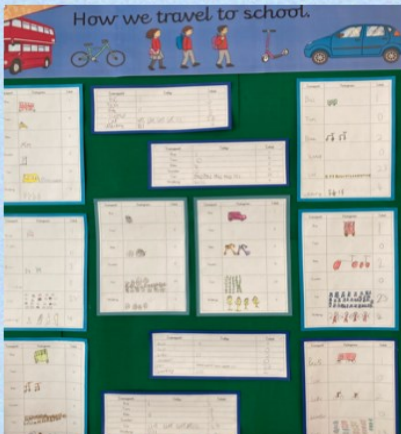

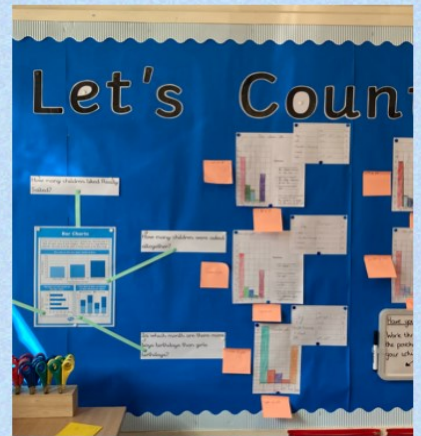

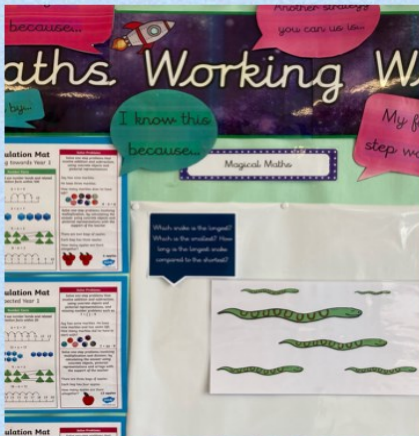

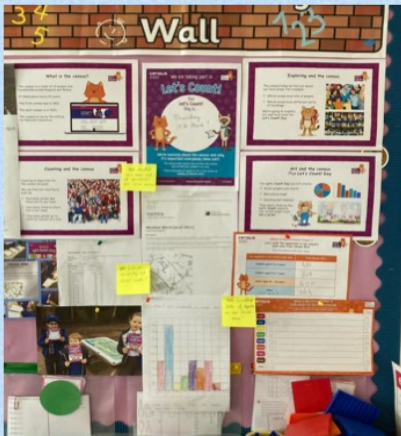

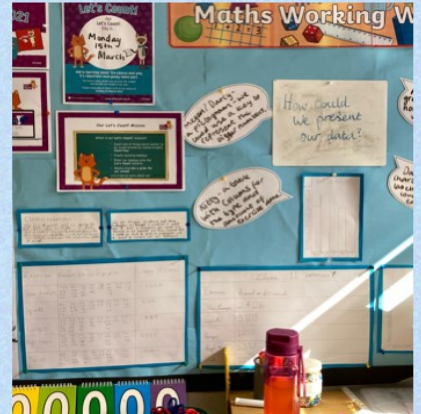

If symptoms start over the weekend, please contact the school on

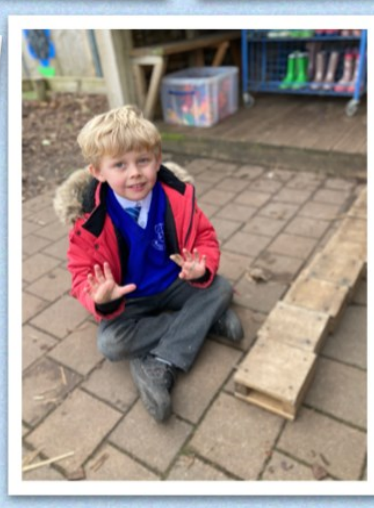

Safeguarding@muchwoolton.co.uk

State the child's name, class, symptoms and a contact phone number.

Thank you all for your counting this week. I hope you all manage to see the census when your parents complete it on Sunday!

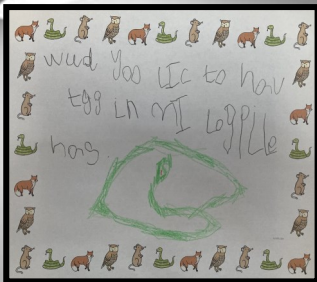

Learning

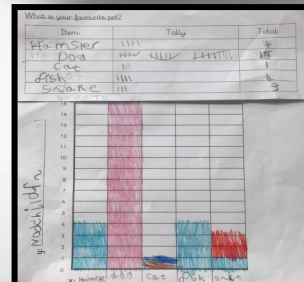

Each week we will be displaying some of the work the children have completed in school. Look at some of the fantastic work the children have produced.
