

Much Woolton Catholic Primary

“With Jesus we love, learn and grow”

Mrs Wilson's weekly message

It's been a challenging and difficult term but we have been reminded, so many times, of the strength of our wonderful Much Woolton school community. Thank you for your superb support throughout the past few weeks in particular, to help all our children thrive and flourish as we settled back into school routines. I am blessed to work alongside incredible staff in our school and thank them so much for their dedication and tremendous hard work. The effort and determination that they have shown over this period has been remarkable. Our future plans are ambitious for all of our children and we are really excited about the opportunities the summer term offers and are grateful for your ongoing support and help.

I hope, amidst all we are living through, that you are able to enjoy the Easter break with precious time together enjoying longer days and brighter skies.

KEY DATES

12-4-2021

School reopens for summer term

Parents Evening Tues 13 April

Wed 14 April

3-5-2021

School closed May Bank Holiday

28-5-2021

School closes for half term

7-6-2021

School reopens for summer term 2

16-7-2021

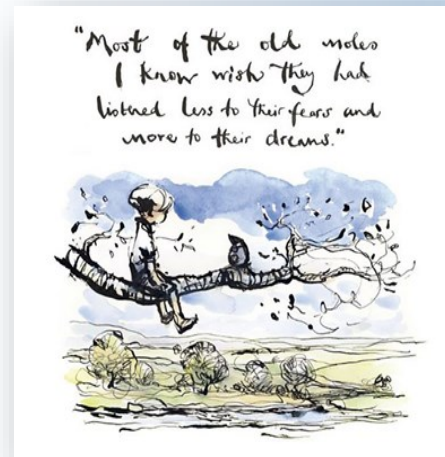

School closes for summer holidays

Thought of the day

If you never chase what you want - you'll never get it.

If you never ask - the answer will always be no.

If you never step forward - you'll always be in the same place.

Parents Evening - Zoom meeting School Cloud

Due to Coronavirus restrictions, we are currently unable to hold face-to-face meetings with parents as we normally would. Instead, the school has introduced a new initiative and easy to use online booking and video call system - "School Cloud." This allows you to choose your own appointment times with teachers, book online and attend a web-based video call in place of a face-to-face meeting. Once your slot is booked you will receive an email confirming your appointment/s. You should have received a parent mail with full details of how to use School Cloud.. This meeting will focus on the well being of your child and how they have settled back into school routines.

We are confident that it will work well and welcome any feedback from you.

Rainbows is a charity that supports loss and bereavement in children and young adults.
For this charity we have raised £101

The Good Shepherd is a charity that supports less privileged members of the community and from the Easter egg raffle we have managed to raise £487.

Don't forget... to set your clocks forward by one hour on Sunday on 28th March 2021, which is the official start of British Summer Time.

We may be losing an hour, but with extra daylight and the prospect of a long summer ahead, this year particularly, we are hopeful and looking forward.

Parking

Once again, I would like to remind you to be considerate of our neighbours when dropping off and picking up your children. We have had a complaint regarding parents' parking across driveways preventing home owners from entering their drives and being verbal offensive when asked to move.

Also one of our children was nearly knocked over by a car on Woodrock Rd at the end of school today. Please take more care around school.

Drop off and Pick up times

From April 12 there will be some changes to drop off and pick up times. Children are to enter school through the same gate as they do now.

	Drop Off	Pick up
EYFS	8.40am	3.15am and siblings
Y1 and Y2	8.45am	3.30pm
Y3 and Y4	8.50am	3.30pm
Y5	8.45am	3.30pm
Y6	8.50am	3.30pm

Birthday Sweets

Due to the COVID restrictions we ask that sweets are not sent into school for Children's birthdays as we are unable to give them out.

Covid Information

Whilst attendance will be compulsory from March 8th, please do not send your children into school if they, or any other family member, are displaying any Covid symptoms or they or any other family member are awaiting test results. **If in doubt, please err on the side of caution.**

If a positive case does occur in school, bubbles will have to close - as they did before Christmas. This is the last thing that school (and I am sure yourselves) want to happen as it will lead to further disruption of the children's education.

COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

If symptoms start over the weekend, please contact the school on

Safeguarding@muchwoolton.co.uk

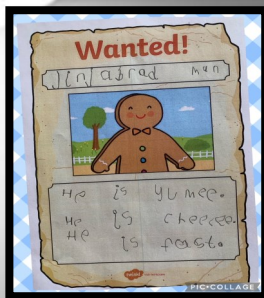

State the child's name, class, symptoms and a contact phone number.

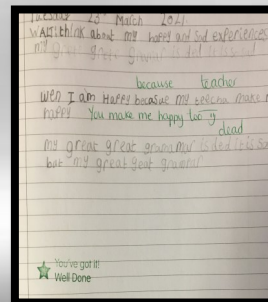

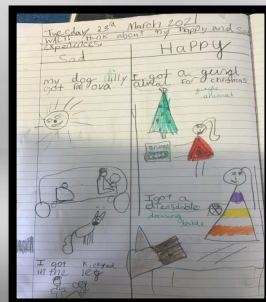

Learning

Each week we will be displaying some of the work the children have completed in school. Look at some of the fantastic work the children have produced.

Challenge

Easter Maths Fun!

Why not have a go at this challenge?

Eggs in Baskets

There are three baskets, a brown one, a red one and a pink one, holding a total of ten eggs.

The brown basket has one more egg in it than the red basket.

The red basket has three fewer eggs than the pink basket.

How many eggs are in each basket?
