

Much Woolton Catholic Primary

“With Jesus we love, learn and grow”

Mrs Wilson's weekly message

It has been a wonderful week at Much Woolton.

Parents received confirmation last week as to their child's primary school placement for September 2021 and we would like to take this opportunity to welcome all of our new Reception 2021 children and their families into our school community. We hope that we will have the opportunity to meet our new children and families before the Summer holidays, once Covid restrictions are lifted further.

Reading Plus

Our first Hot Chocolate Club of the year took place in the sunshine for those children who were chosen as readers of the week.

Well done for all your hard work on Reading Plus.

PTA NEWS

As you will be aware with the current Covid restrictions it is not possible for the PTA to raise funds through the usual events, such as the school fairs. We have a chance to win a range of sports equipment donated by Dunelm in Garston, if we can secure the most votes. Please take a minute to click this link:

Vote for Much Woolton. Please share this with your friends and family members to allow us the best chance of securing the sports equipment for our children to benefit from.

Parking

Once again, I would like to remind you to be considerate of our neighbours when dropping off and picking up your children. We have had a complaint regarding parents' parking across driveways preventing home owners from entering their drives and being verbally offensive when asked to move..

We also ask that when you are waiting to pick up your child, in your car, can you turn your engines off to reduce pollution.

Birthday Sweets and Party Invitations

Due to the COVID restrictions we ask that sweets are not sent into school for children's birthdays as we are unable to give them out. This also applies to invitations.

Government guidance states that only 6 people from different families can meet outside. Please ensure that you stick to these rules outside of school to ensure the safety of our community.

Covid Information

Please do not send your children into school if they, or any other family member, are displaying any Covid symptoms or they or any other family member are awaiting test results. If in doubt, please err on the side of caution.

COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

If symptoms start over the weekend, please contact the school on

Safeguarding@muchwoolton.co.uk

State the child's name, class, symptoms and a contact phone number.

He put them together in a square so that no two tiles of the same colour were beside each other.
