

Much Woolton Catholic Primary

"With Jesus we love, learn and grow"

Mrs Wilson's message

The summer term is always busy and in usual circumstances would be full of school and PTA events, particularly towards the end of term. At this point, we are hopeful that some of the usual events will be able to go ahead with some changes to ensure everybody's safety. We will bring you further information as soon as we can, but please understand that anything planned will be subject to the Government guidance and the continuation of the 'roadmap' out of lockdown.

Have a restful weekend and bank holiday.

PTA NEWS

Dear Parents

As you will be aware with the current Covid restrictions it is not possible for the PTA to raise funds through the usual events, such as the school fairs. We have a chance to win a range of sports equipment donated by Dunelm in Garston, if we can secure the most votes. Please take a minute to click this link:

And vote for Much Woolton, Please share this with your friends and family members to allow us the best chance of securing the sports equipment for our children to benefit from.

Thank you for your support.

The PTA

Parking

Once again, I would like to remind you to be considerate of our neighbours when dropping off and picking up your children. We have had a complaint regarding parents' parking across driveways preventing home owners from entering their drives and being verbally offensive when asked to move..

We also ask that when you are waiting to pick up your child, in your car, can you turn your engines off. to reduce pollution.

Children's Birthday Treats and Invitations

Prior to the Covid restrictions, it was allowed for children to hand out birthday treats and invitations to their classmates.

May we remind you that this arrangement is currently not permitted. We would ask that you please respect this decision. Thank you.

Covid Information

Please do not send your children into school if they, or any other family member, are displaying any Covid symptoms or they or any other family member are awaiting test results. If in doubt, please err on the side of caution.

COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

If symptoms start over the weekend, please contact the school on

The Deca Tree

The deca tree has 10 trunks.

On each trunk there are 10 branches.

On each branch there are 10 twigs.

On each twig there are 10 leaves.

One day a woodcutter came along and cut down one trunk from the tree.

Then he cut off one branch from another trunk of the tree.

He then cut off one twig from another branch.

Finally he pulled one leaf from another twig.

How many leaves were left on the tree?
