“With Jesus we love, learn and grow”

Mrs Wilson's message

Sadly, we had to close the EYFS bubble this week following confirmation of a positive Covid-19 case. We look forward to the children's safe return on **Monday 28 June**.

Following Boris Johnson's statement on Monday, schools have been instructed to keep all their current protective measures in place until there is a further announcement of Step 4 on the roadmap. The measures will remain in place to help reduce transmission of the virus. Thank you for supporting us to keep our school community safe.

Can I also take this opportunity to remind all parents and carers that masks should be worn at all times when on school premises, unless you have a medical exemption and ask that you please responsibly distance on the playgrounds.

Covid Information

Bubbles will remain in place for everyone's safety and it is vital that you please keep us informed if your child is going for a COVID test or is experiencing symptoms so that if a positive case is confirmed we can advise everyone in that bubble to self-isolate following the guidance we are given by DfE, for the length of time advised to us. It is also essential that if someone in your household is experiencing symptoms or is awaiting a Covid-19 PCR test, that the whole household isolate until a negative test result is received or self-isolation has been undertaken for 10 days. With an increase in cases within our local area it is paramount that we continue to act responsible in the interests of everyone's safety.

COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

If symptoms start over the weekend, please contact the school on

The Puzzle:

The diagram below shows a cross-shaped box containing three numbered blocks.

The puzzle is to slide the blocks around the box until the numbers read 1,2,3 as you go down.

How do you do it? And how many moves does it take?

Come on **M**uch **W**oolton **M**aths **W**hizzes!

(I drew the numbers on squares of paper to physically move them!)

Sports Day

Sports Day will take place during our Olympic Week which will take place week beginning 28 June, if the weather is kind to us . We are very sorry to say that we cannot invite families on site to join us this year as we cannot guarantee the safety of our children and staff on the school site with so many families also in school, albeit outdoors. We understand that many of you will be disappointed that this event is not open to parents/carers, particularly when many of you are yet to see your child participate in a sports day at Much Woolton. We looked at a wide range of options as to how we could safely operate this event with spectators, however we were not satisfied that any solution conformed with current guidelines. We know the children will have a wonderful time and are extremely aware that this was one of many cancelled events, this time last year. We'll share more about plans for this week once these

Holidays

If any family is planning on going on holiday in term time please note that this will be recorded as an unauthorized absence. A letter confirming the dates of the holiday is required by school.

Parents/carers also need to take note of the Government guidelines regarding quarantine and COVID testing if they travel to specific areas.

School Uniform

We are seeing more children wearing **Trainers** to school as part of their everyday school uniform. Can I remind parent that **Trainers** are

NOT part of our school uniform, unless for PE.

Children need to be in school shoes.

Thought of the day

Always end the day with a
POSITIVE thought.

No matter how hard things were.
