# Much Woolton Catholic Primary

“With Jesus we love, learn and grow”

## Mrs Wilson's message

What a week we have had!  
The Olympics came to Much  
Woolton.

We had an array of colours at  
both the Opening and Closing  
ceremonies.

The children followed the  
Olympic Values during Sports  
Day and had fun competing in  
the different events.

# Covid Information

Bubbles will remain in place for everyone's safety and it is vital that you please keep us informed if your child is going for a COVID test or is experiencing symptoms so that if a positive case is confirmed we can advise everyone in that bubble to self-isolate following the guidance we are given by DfE, for the length of time advised to us. It is also essential that if someone in your household is experiencing symptoms or is awaiting a Covid-19 PCR test, that the whole household isolate until a negative test result is received or self-isolation has been undertaken for 10 days. With an increase in cases within our local area it is paramount that we continue to act responsible in the interests of everyone's safety.

## COVID Measures

Thank you for following our school procedures. Please follow local guidance to ensure the safety of all of our school community.

If symptoms start over the weekend, please contact the school on

[Safeguarding@muchwoolton.co.uk](mailto:Safeguarding@muchwoolton.co.uk)

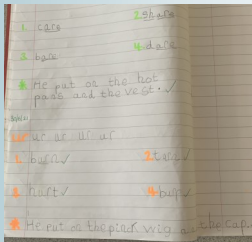

State the child's name, class, symptoms and a contact phone number.

# LEARNING

Each week we will be displaying some of the work the children have completed in school. Look at some of the fantastic work the children have produced.

# Maths Fun!

Why not have a go at this Challenge?

## Magic Vs

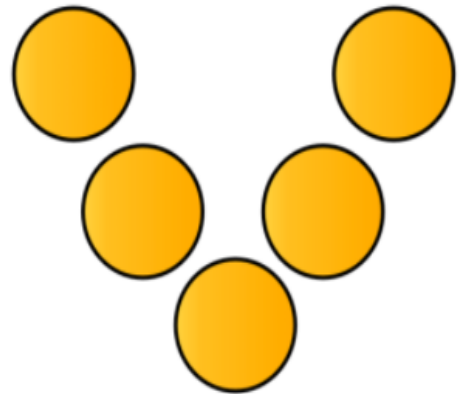

Place each of the numbers 1 to 5 in the V shape so that the two arms of the V have the same total.

How many different possibilities are there?

Can you convince someone that you have all the solutions?

What happens if we use the numbers from 2 to 6? From 12 to 16? From 37 to 41? From 103 to 107?

Investigate the same problem with a V that has arms of length 4.

# Road Closure Project

As you have been made aware, school is involved in a project aimed at improving the safety of our roads around school at the beginning and end of the school day. The aim is that Watergate Lane will be closed at the junction of Woodrock Road and Watergate Way closed at the junction with Priorsfield Road, at these key times of the day. This project is going ahead, however a launch date has not been set yet as we await training to be provided to local community members who will be working on the closure barriers alongside members of our staff and families. Once the launch date has been set, parents will be given advanced warning and clear guidance on how this scheme works.

Kind regards

Matt White

Headteacher

## Holidays

If any family is planning on going on holiday in term time please note that this will be recorded as an unauthorized absence. A letter confirming the dates of the holiday is required by school.

Parents/carers also need to take note of the Government guidelines regarding quarantine and COVID testing if they travel to specific areas.

## School Uniform

We are seeing more children wearing **Trainers** to school as part of their everyday school uniform. Can I remind parent that **Trainers** are

**NOT** part of our school uniform, unless for PE.

Children need to be in school shoes.

**Everyone at Much Woolton would  
like to wish :-  
Benedict T, Evie T, Betsy W and Ted P-H  
a Very Happy Birthday.  
We hope you all have had a  
wonderful day.**

### **Children's Birthday Treats and Invitations**

**Prior to the Covid restrictions, it was allowed for children  
to hand out birthday treats and invitations to their  
classmates.**

**May we remind you that this arrangement is currently not  
permitted. We would ask that you please respect this  
decision.**

**Thank you.**
