With Jesus we love, learn and grow

Dear Families,

From this week, children will be bringing home reading books. Due to the current pandemic, we have had to change the way we work with reading in the school. In Reception we will be hearing the children read their reading books on alternate weeks. The children are split into groups named after fruit, and their group is on the front of their reading folder.

Week 1 (17.09.21) - The Cherries and the Kiwis will bring home a reading book today. They must return their book to school on the following Monday (20.09.21) with a comment and signature in their reading record to say you have read it with them. They will get a new book the following Friday (01.10.21), to be returned Monday 4th October.

Week 2 (24.09.21) - The Peaches and Strawberries will bring home their reading books on Friday 24th September, to be returned on Monday 27th September with a comment and signature in their reading record to say you have read it with them. They will next get a book on 8th October, to be returned Monday 11th October.

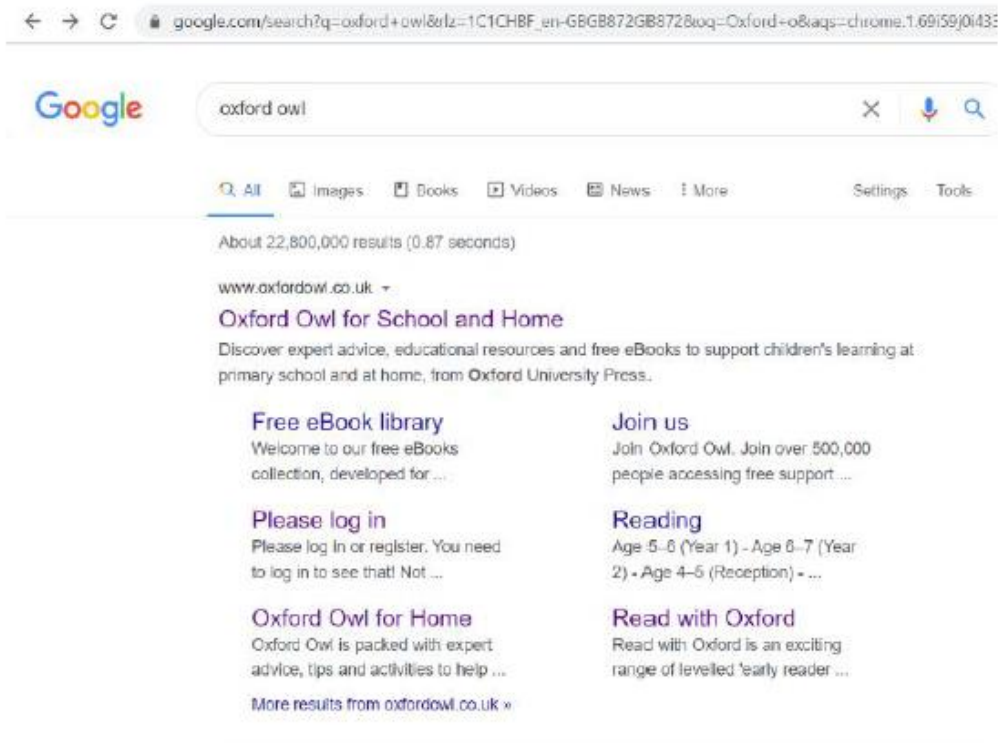

All children will bring home a list of HFWs for the year. They don't need to return the sheet of words to school, but should practise these on the weeks they don't have a reading book at home. They should be able to read, write and spell these words by the end of Reception. You can also access the Oxford Owls site for additional reading materials (see attached details). As this is a new system, please be patient with us as we anticipate there will be teething problems! Thank you for your support.

Many thanks,

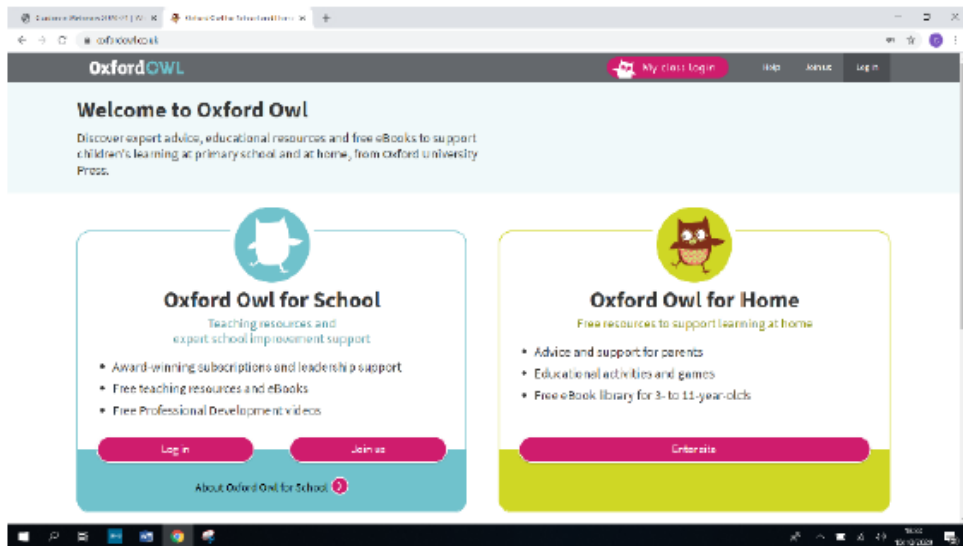

Mrs Doherty and the EYFS Team

1. Enter 'Oxford Owl' into your browser

2. Click on 'www.oxfordowl.co.uk' and enter site

3. Click on  icon on top right of screen.

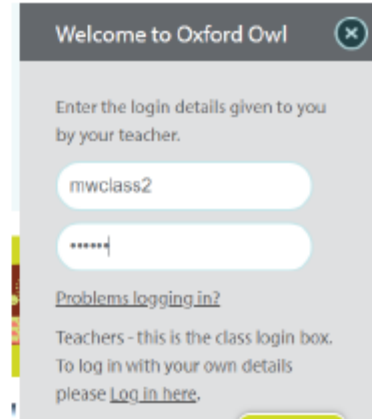

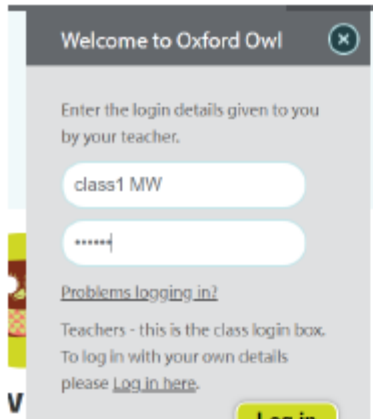

4. Enter the login details for your class

Class 1 username = class1MW

Class 2 username = mwclass2

Class 1 password = Marvin

Class 2 password = melody

Here are the **Oxford Owls** login details for each class.

Class 1 username: class1MW
password: Marvin

Class 2 username: mwclass2
password: melody
