

Class 9 & 10 Learning Journey

Autumn Term 2nd Half 2021

MATHS

This half term we will be covering the following:

- Add and subtract 1s, 10s, 100s and 1000s
- Add two 3-digit numbers - crossing 10 or 100
- Add two 4-digit numbers - no exchange and with one exchange

Throughout each lesson the children will reason and solve problems involving place value.

Children MUST continue to consolidate their times table knowledge to 12x12 and corresponding division facts. There will be a test on a Monday so please practise at home.

GEOGRAPHY

We will look at contrasting locations and compare different regions in the UK. We will explore key physical features, climate and weather, population density and economic features.

No Outsiders

We will promote equality in our community through this new scheme 'No Outsiders'. We will be engaging the children in lessons to allow them to be happy and excited about living in a community full of difference and diversity, whether that is through race, gender, ability, age or religion. Understanding that difference is normal and should be celebrated.

RSE

We will be learning to understand that God loves us all even though we are all different and starting to celebrate our own differences that make us all special. We will share our talents and gifts and appreciate how we are loved for who we are. We will consider ways in which we could improve as a person and make us a better friend.

MUSIC

The children will continue with class guitar lessons. Please ensure that your child has their guitar in school on Fridays and that they practise at home.

ENGLISH

This half term we will be covering

- GPS
- Biography
- Diary entry
- Balanced arguments

Please continue to read daily at home choosing books of interest as this is good practice as we move through Year 4. Remember to complete Reading Plus 3 times a week. Why not try a different genre of writing from novels, fairy tales, fact-files, diaries.

Practise your spellings weekly - spelling test will be on a Monday!

RELIGIOUS EDUCATION

Baptism/Confirmation - Called: The children explore how they respond to being chosen and learn about the Sacrament of Confirmation.

Judaism: The children will learn about the Holy book called the Torah and how it refers to the first 5 books of Moses.

Gifts: The children explore the gift of love and friendship. They learn about Advent and Christmas; the Church's season of preparing to receive God's gift of Jesus.

PE days are Tuesdays and Wednesdays.

SPANISH

We will be linguists and learn basic Spanish vocabulary building on the basic phrases learned last year.

SCIENCE

Electricity - there will be a basic introduction to the importance and safety of circuits and the names of scientific equipment.
