

## Craft and design-

Design choices using digital photography techniques. Focus on 'monochromatic' artwork.

## Painting and mixed media-

Recognise use of colour by artists to create atmosphere/represent feelings. Explore marks, lines pattern to add expressive detail and texture to artworks.

## Craft and design-

Apply composition skills to develop a drawing into print- 'Monoprint.' Design a monument.

## Painting and mixed media-

Analyse famous paintings, colour composition etc. Focus on processes used by artists across a variety of disciplines.

## Artist Study

YEAR 6

## Portraits

## Architecture

## Drawing-Form

complex shapes and patterns. Develop drawings in to prints. Use texture and tone to create contrast.

## Painting and mixed media-

Apply knowledge of colour mixing and painting techniques. Explore tints, shades of colour to create a 3D effect.

## I need space

## Power prints

## Sculpture and 3D-

Shape, join using complex techniques such as carving and modelling wire. Select and use variety of materials to make a sculpture.

## Light and dark

## Drawing -

Create observational drawings- explore shape, shade, tone texture and composition.

## Craft and design -

Explore characteristics of Egyptian art. Focus on style, shape pattern. Create papyrus paper, zine books.

## Mega materials

YEAR 4

## Growing Artists

## Ancient Egyptian Scrolls

## Craft and design-

Use printing tiles to develop childrens' map drawings. Explore pattern and shape for detail.

## Sculpture and 3D-

To use a 'scratch and slip' technique to join pieces of clay. Create own clay house tile using pattern and detail.

## Prehistoric Painting

YEAR 3

## Painting and mixed media-

Explore how natural products produce pigments to make different colours. Recreate prehistoric pictures on textured surfaces.

## Map it out

## Clay houses

**Drawing-** Experiment drawing on different surfaces, explore tone, form line pattern shape. Create own book of illustrations.

## Painting and mixed media-

Explore mixing primary colours-to make secondary colours and colour in printing. Create 'Clarice Cliff' plates.

## Tell a story

## Colour Splash

## Make your mark

## Craft and design-

Develop cutting, threading, joining and folding skills through creative craft.

## Sculpture and 3D-

Manipulate range of modelling materials. Create 3D form- 'Tree of life' sculpture.

## Drawing

Explore mark-making using a range of tools. Draw from observation identifying shape, line and texture.

## Let's get crafty

YEAR 1

## Paper Play

## Sculpture and 3D-

Explore sculptural qualities of malleable materials and natural objects; develop use of tools, design and make clay sculpture.

## Marvellous marks

EYFS

## Creation station

## Drawing-

Explore mark-making through different drawing materials. Begin to draw from observation.
