

Year 4

Autumn Term 1 2024

Maths

This half term we will be covering the following topics:

- Numbers to 10,000
- Addition and subtraction within 10,000
- Multiplication and division

Times tables will be tested on a weekly basis every Monday.

English

This half term we will be focusing on the novel, 'Bill's New Frock.'

We will use our novel to create the following:

- Diary entries
- Newspaper reports
- Biographies

Please continue to read daily at home choosing books of interest. This is good practice as we move through Year 4. School reading books must be read at home 3 times a week and returned to school every Friday. Reading Plus should also be completed 3 times a week and spellings will be tested in school every Monday.

RSHE

We will be learning to understand that God loves us all even though we are all different and starting to celebrate our own differences that make us all special. We will share our talents and gifts and appreciate how we are loved for who we are. We will consider ways in which we could improve as a person and make us a better friend.

'We will accept ourselves and others for who they are!'

No Outsiders

We will be learning about who we want to be and recognise why people sometimes don't speak up. We will also learn about how everyone in our school should be proud of who they are.

PSHE

We will be learning to develop an understanding of courtesy and manners in a range of situations.

Religious Education

Family - People: Children explore their own families and discover more about the family of God through scripture. Baptism/Confirmation - Called: The children explore how they respond to being chosen and learn about the Sacrament of Confirmation.

Science

Teeth and Digestion—We will look at teeth and what happens if we do not look after them correctly. We will look at how animal teeth are different to ours. Finally, we will begin to explore our digestion system and what happens inside our bodies.

Art

We will be exploring Sculpture-Mega materials- exploring three dimensional shapes, using tools to model and refine a sculpture.
