

Summer Term 1 2026

English

We will be writing a character description based upon our class novel 'Flat Stanley'. We will also write some letters inspired by our novel. The children will also read 'Meerkat Mail.' This will help us to write non-chronological reports. In G.P.S. we will continue to look at sentence structure and the use of adjectives, inverted commas etc.

Religious Education

Branch 5 - 'To The Ends of The Earth'

We will hear how Jesus appeared to his disciples before he ascended into heaven. We will talk about what happened during Pentecost and how Saul was converted. The children will think about the fruits of the Holy Spirit. Lessons will be taught through drama, scripture, art and writing.

Art - Clay Houses

This unit focuses on teaching pupils to shape and decorate clay, create a pinch pot, and design and make a clay tile with house features. It emphasises practical skills in working with clay and applying artistic techniques in a structured project.

Maths

We will be learning how to tell the time to the nearest 5 mins.

Pupils will be comparing volume, measuring in litres and millilitres, and solving word problems associated with volume.

Geography - Life in Kenya

Where in the world is Kenya?
What is the climate like in Kenya?
What is the landscape like in Kenya?
What is it like to live in rural Kenya?
What is it like to live in urban Kenya?
What are the differences and similarities between Kenya and the UK?

P.E.

Invasion Games: Key skills include dribbling, throwing, catching, kicking, running, jumping, changing direction and speed, and balance.

Athletics: We will be learning how to run for distance, jump for height, throw for distance and throw for accuracy.

Reading

Just a reminder that books will be changed once a week and should be brought into school on Fridays. They will be changed and returned on Mondays.

P.S.H.E. / R.S.H.E.

PSHE First Aid - We will be following a programme of study by the Red Cross. We will learn what to do in emergency.

Journey In Love - Celebrate ways of meeting God in our communities.

No Outsiders - To be able to work with everyone in my class.

Science

Plants and Growth

What is a seed?

What's inside a seed?

What does a seed need to germinate?

What do plants need to grow and survive?

What is the cycle of a plant?

Can we explain what seeds need to germinate and grow?

Music - Myths & Legends

Recognise, play and write rhythms with one beats and paired half beats.

Show a rest beat using a silent movement.

Read and follow a structure from left to right.

Add rhythms to a structure to create a beginning, middle and end.

Work well as part of a group, listening to others and respecting their ideas.
