YEAR 4 LEARNING JOURNEY
AUTUMN 2

R.E

In this topic, children will explore the lives of the prophets Elijah and John the Baptist, learning how they encouraged people to trust in God and prepare for the coming of Jesus. They will learn about the Feast of Christ the King, explore Jesus' family history through the Jesse Tree and discover how Christians prepare for Christmas during Advent.

Maths

This half term, we will be covering multiplication and division. Children will learn:

· To multiply and divide by 6, 7, 9, 11, and 12, using what they already know to solve different problems.
· To understand the difference between sharing and grouping,
· How multiplication facts can be used in different ways.

English

This half term, we will be reading 'The Nowhere Emporium,' and our writing will focus on a setting description.

Please continue to read daily at home choosing books of interest. This is good practice as we move through Year 4. Reading Plus should also be completed once a week.

P.E

P.E days are Tuesdays and Thursdays. Our topics this half term are gymnastics and dance.

Science

States of Matter – The children will compare and group materials together, according to whether they are solids, liquids or gases. They will observe that some materials change state when heated or cooled and they will identify the part played by evaporation and condensation in the water cycle.

History

Roman Britain – We will be looking at what life was like in Roman Britain, how things have changed and the legacy they left behind.

PSHE

In PSHE we will be exploring how we can respect each other. In our 'No Outsiders' lessons we will understand why some people choose to marry.

Dates for your diary

Parents Evening - Tuesday 17th November

Trip to Grosvenor Museum - Wednesday 18th November

Christmas Fair - Saturday 28th November

Class 9 Assembly - Wednesday 2nd December

Class 10 Assembly - Wednesday 10th December
